1957

1957
Clairvoyant
St. Clair High School
St. Clair, Michigan

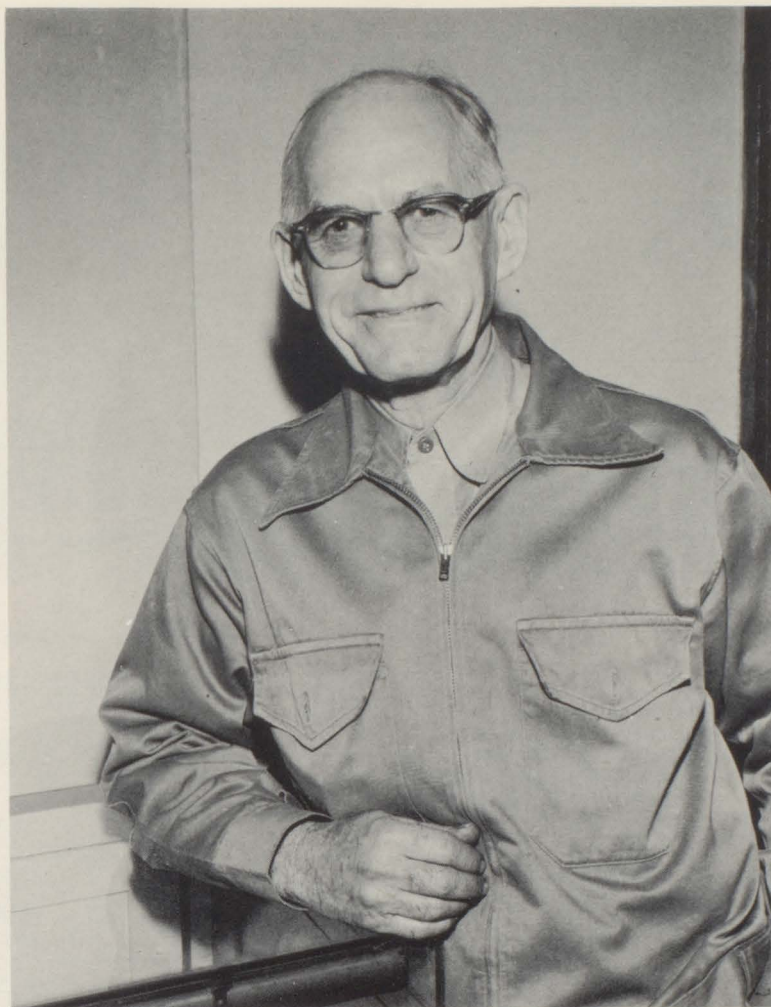

Upon the publication of our Clairvoyant for the 1956-57 school year, we, the editors and staff, would like to thank the many people who contributed unselfishly of both their time and talents to insure the success of this book. In the compilation and publication of our yearbook, a great deal of research and effort was made by our principal, our patrons, our superintendant, the board of education, and above all, the students who supported the book. It has afforded us a great deal of pleasure to do the Clairvoyant this year and we sincerely hope that it will give you the same sense of satisfaction to read this book and treasure it as it has given us to have had a part in presenting it to you.

We are proud to dedicate this 1957 Clairvoyant to you Charles J. Fisher, for the twelve years of devoted service you have given to St. Clair Public Schools.

Mr. Fisher joined the janitorial staff of St. Clair High School in the fall of 1945. Eight years later on July 1, he was promoted to the position of head custodian, a job which he has performed faithfully ever since.

Well respected by all who work under his supervision, Mr. Fisher is always willing to cooperate with and to help others.

Through the dedication of this yearbook the students hope to express their appreciation of Mr. Fisher.
